Hi Jim,

This email is to let you know that Millard County has approval from the Division of Oil, Gas and Mining to begin mining in the bedrock area of the USFS Pass Quarry (or the Millard County EWP quarry), as described in your complete Notice of Intent to Commence Small Mining Activities (Notice). You will receive the Division's approval letter with copies of the approved Notice and surety documents in the mail in the near future.

Thanks for the patience. Let me know if you have any questions.

Peter
